

How then will they call on him whom they have not believed?
And how are they to believe in him of who they have never heard?
And how are they to hear without someone preaching? Romans 10:14

Keith writes:

Hi. My name is Keith Ganzer and I am about to complete a two-year internship with Artizo at St. John's Shaughnessy Anglican Church in Vancouver. My years of training with Artizo have involved a range of activities – from children's Sunday School to men's ministry to pastoral care and more – and has always included preaching the Word. The skills acquired and friendships developed along the way will be invaluable assets for future ministry. There are many wonderful memories of my time in Artizo: seeing children come to understand something of the holiness of God from Exodus, exploring the depths of Christ's love in an Ephesians Bible study, visiting with some of the elderly saints of St. John's and learning of the joy of the Lord in their lives.

As I complete my internship along with others who have served these last years, please pray for the Lord's direction as we seek opportunities for future ministry. Pray for an increase in our love for God as we push further into his love for us. I have been encouraged by the training and support I have received from Artizo; I know many others will be in the future. Please pray with me that Artizo will continue to thrive and grow as a training base for future leaders of the church of Jesus Christ.
